I MAKE MY BOW AGAIN TO MY NUMEROUS friends and patrons, with a house full of goods and with them come

FOR CREECH'S.

CALICOES, CALICOES.

I will sell you Calicoes at 8 cts a per yard; want you to look at them at 10 cents? and cant you afford to buy them at 12½?

There the remote Bermudas ride
In the Ocean's bosom unespied;
From a small boat that rowed along
The listning winds received the song.

Just received 100 Cases for Ladies, Misses, Boys and Children; so just put that naked foot into a boot or shoe, for it will soon be cold weather, and my friend, I see your boots are wearing out, and your shoes have a hole in them, so you had just as well come to Creech's and buy a new pair. They look better and fit better, any way; they keep your feet dry and preserve your health.

SPECIAL ELECTION 28TH NOVEMBER, NEXT.

FRANKLINTON CONVENTION.

The delegates to this Convention are requested to meet together on FRIDAY THE 11TH DAY OF NOV. next, at 12 o'clock M., at Franklinton, in order to nominate a candidate of the Conservative party for the House of Representatives of the United States, in the place of the Hon. Robert B. Gilliam, deceased. A full attendance is anxiously desired.

WM. EATON,
October 24, 1870. President.

ORANGE SUPERIOR COURT.

Judge Tourgee, in violation of his former custom, opened Court in Hillsborough on Monday, the first day of the term.

In the last number of the Supreme Court reports, will be found a hint or two from that once august tribunal to his carpet-bag Honor, on the propriety of the prompt attendance of Judges at their Courts. Tourgee had been in the habit of postponing the opening of his Courts to Wednesday, Thursday, and sometimes even to the second Monday of the term. The hint above alluded to has, perhaps, had a salutary effect on him in this respect.

In his charge on Monday, the Judge charged the grand jury to present all persons who had deprived any citizen of his personal liberty without due process of law. Solicitor Bulla, at our suggestion, asked the Judge to charge that any person ordering or aiding, though not present, and in a different county, was equally liable as if he were present.

The Judge said he could not give the instruction asked for, but that any person who aided and abetted in an assault was as guilty as those who made it.

At the conclusion of the charge, *General* Stephen A. Douglass was called to go before the grand jury; but he failed to answer and was called out. John B. Neathery, Holden's private secretary, R. T. Bosher, his private spy and detective, were also called and failed to answer.

Douglass then came in and was sworn and sent before the grand jury on a bill against Gov. Holden, white, and Alexander Heffin, black, with others, for an assault and battery on Josiah Turner, Jr. No bill has yet been found. Bosher left, saying he had Kirk in custody. Douglass promising to telegraph for him if he should be wanted.

Judge Tourgee once threatened that if the grand jury of Orange had presented him, he would have ordered every one of them to jail. In a subsequent public meeting of the people of Orange, in which some of the grand jurors participated, they passed resolutions to the effect that, if the Judge should attempt to put the grand jurors in jail, they would make the court house too hot to hold his Honor.

If the grand jury could not present a *Judge* without the risk of being sent to jail, they may find it a dangerous business to present the Governor. More than half the scalawag Judges of the State have refused to arrest the Governor for a most flagrant breach of the criminal law; still we do not think their refusal will have much weight with an Orange County grand jury.

J. B. Neathery and Co. came in on Tuesday evening, after the grand jury had adjourned. The "Co." alluded to, consisted of Cornelius Horner.

If the Governor does not send up his "scallah" to keep down the grand jury, we verily believe there will be a true bill found against his Excellency before the week is out.

THE COUNTY CANDIDATES.

The people of Wake will be called upon on Saturday the 26th of the present month, to elect a representative to fill the vacancy occasioned by the death of H. A. Hodge, deceased. To fill this position the Radical party nominated Samuel F. Phillips, Esq., of this city, and the Democratic Conservatives have nominated Dr. J. R. Dunn of Wake. Let us consider briefly the claims of these gentlemen for the position.

Mortifying as it is to the former numerous friends of Mr. Phillips, he has now unmistakably thrown himself into the arms of Gov Holden and of the Radicals. His former professed Conservatism has vanished into thin air, and he now grovels in the mire of Radicalism. He is unquestionably an able lawyer, and for this reason, more than any other, he has been selected as the peculiar friend of Holden. Holden especially needs him there, more than his party does. As a partisan he can hope to do nothing for his party, but he is supposed to be of great value to throw impediments in the way of the Conservatives. While we do not object to him because he is a lawyer, but because he is a Radical, we would ask, are there not lawyers enough in the General Assembly for all available purposes? Do we not need more farmers—men who are identified more with the laboring classes of the county—men whose personal and pecuniary interests compel them to guard with special concern, the burdened condition of our laboring people? We think so.

Moreover, Mr. Phillips is now fully committed to the principles and measures of the Radical party. He is pledged to maintain all the objectionable features of our present Constitution and the still more heinous measures of the Radical party. He must defend the present odious Court system, the odious new Civil Procedure, the odious county and township governments, the odious high salaries and high fees now paid out of the pockets of the people to make rich the State and county officials.—Are the people of Wake, white and colored, going to allow themselves to be saddled any longer with the onerous burdens now imposed upon them? We think not. If the Radical schemes are still to be imposed upon us, Wake county will have to pay more taxes in 1871, than were formerly required to support the whole State government!—Will the people of Wake, therefore, support Mr. Phillips and all the Radical waste and extravagance now entailed upon us?—We think not.

Dr. Dunn is a farmer. His interests are fully identified with the laboring people of Wake county. He is a man of intelligence, and will oppose every Radical scheme of corruption and unnecessary taxation imposed upon us. He is a Conservative in his feelings and principles and a life long Democrat. He will study to guard the interests of the people and the State, and we must elect him. Let every Conservative go to work to do it.

SPLENDID OPENING FOR CARPET BAGGERS.

As the mud-turtle grip of carpet-baggers in North Carolina, on office and spoils, is gradually relaxing under the mild and persuasive influence of Democratic and Conservative supremacy, and the time arriving when most of them will find the State a good place to emigrate from, we affectionately and selfishly recommend to them the opening for plying their peculiar vocation in New York, under the new radical enterprise of regulating the elections there. It is true the time is short in which they would have to operate, but our experience of them convinces us they will be able to play a vast amount of deviltry and steal all that may be lying around loose, even in the short time that is to intervene between now and the day of election. They need not fear missing an appointment there on account of the places being already filled, for vacancies are constantly occurring and will continue to occur, on account of present incumbents getting into jail and the penitentiary for their rascalities, in due course of law.

Our advice is based on an exhibit which we find in the N. Y. *World*, as given below, of those who have been appointed by Radical authority in New York, to superintend the elections soon to come off.

A lad in Georgia, some time since, wrote to his father up North: "Come here, father, as soon as you can; mighty mean men get in office here, and I shouldn't be surprised, if you will come, that they will send you to Congress." It is on the apparent similarity of present affairs in New York and those alluded to by the carpet-bag lad in Georgia, that our carpet-baggers may base their hopes of getting into congenial employment by hastening to New York. The *World* says:

"There are so many of these desperate miscreants on the list of Federal election officers, that it will be easy for them to combine and demand that the military shall charge upon citizens, while they commence a raid upon stores and dwellings, plying their habitual vocation.

Here follow the acts about some of these graceless villians. The antecedents of others will be given from day to day, as fast as the records of the courts and prisons can be searched:

Richard Enright, Supervisor in First Ward, Eighth District. Arrested for robbery in 1863.

John Grimes, Supervisor Twelfth District, Fifth Ward. Arrested in April, 1868, for stealing a gold watch.

Michael Costello, Marshall, Sixth Ward. Bounty jumper during the war.

Harry Rice, Supervisor Thirteenth District, Sixth Ward, was connected with the Chatham street concert saloon murder, and fled to Nebraska to escape punishment.

Thomas Lane, Supervisor Seventeenth District, Sixth Ward. Formerly keeper of a notorious den at Five Points, headquarters of thieves and robbers.

John Lane, Supervisor Twenty second District, same ward, was indicted for receiving stolen goods. Has served a term in Sing Sing.

Edwar Foley, Supervisor Sixth District, Ninth Ward. Arrested last year for stealing a watch.

Humphrey Ayres, Supervisor, Eighteenth District, Ninth Ward. Arrested six years ago for robbing the United States mail.

John Dowling, Supervisor Nineteenth District, Ninth Ward. Arrested August 20 1869, for till tapping.

James Fitzimmons, Supervisor Twentieth District, Ninth Ward. Arrested August 1, 1868, for robbery.

John Martin, Supervisor Fifth District Twelfth Ward. Arrested a few years ago under an indictment for arson.

Samuel Rich, Supervisor Fourth District, Thirteenth Ward. Served a term of two years at Sing Sing for felonious assault.

John, alias "Buckey," McCabe, Supervisor Eighth District, Fifteenth Ward.—Charged with shooting a man, with intent to kill, about a year ago.

William P. Burke, Supervisor Twentieth District, Eighth Ward. Served his term in the State Prison of Massachusetts for burglary; also two years in the New York State Prison.

James McCabe, Supervisor Fourth District, Eighth Ward. Now confined in the Tombs under indictment for highway robbery.

William G. Irving, Supervisor Fourteenth District, Eighth Ward. Has served a term in Sing Sing Prison for burglary committed in the Eighth Ward, and has never been pardoned.

Patrick Henry Kily, alias Fred. Williams, Supervisor Twenty second District, Eighth Ward. Keeper of a house of ill fame; resort of the lowest and vilest characters.

Patrick Heffernan, Supervisor of the Tenth District, Sixth Ward. Arrested some time since for attempted murder.

Frederick Sterringer, Supervisor, Eighth Ward. Has been arrested several times for keeping disorderly house.

J. F. Baderhop, Supervisor, Tenth Ward. Arrested for murder a few years since.

Ed. Weaver, Marshal in Eighth Ward. Has been but a short time out of State Prison, where he has been serving out his sentence.

Walter Prince (colored), Marshal Eighth Ward. Now in prison awaiting trial for highway robbery.

Andrew Andrews, alias Hans Nicols, Marshal. Panel thief; been sentenced two or three times to State Prison, and has just returned from Blackwell's Island."

From the foregoing descriptive catalogue we judge some of our carpet baggers must have gotten home, but there are still some left, whom we hope will soon follow.

PRESIDENT GRANT.

One of the strongest commendations of Gen. Grant, urged by his friends, before his election as his chief claim to the Presidency, was that he was no politician, not liable to the ordinary temptations of the demagogue, because as a soldier, he had kept aloof from the shackles of political trickery. His history, both public and private, had not inspired us with any high hopes in this regard. His mental calibre and his moral obliquities satisfied us, that he would be an easy prey to the wily politicians, provided, he could always be assured that he would be the gainer. Self, has always been a strong card with him, and since his elevation to the Presidency, his weakness in this regard has been prominent.

But we confess we were loth to believe him capable of surrendering himself so entirely to the behests of party, until the evidence became palpable, that he had yielded himself to the diabolical schemes of Holden, Pool, Abbott and Settle, to control the elections in this State by force of arms. Subsequently, his ready affiliation with the Radicals in South Carolina and other Southern States and more recently in New York to carry the elections by similar agencies, leave no room to doubt his readiness to further their wicked designs in any way to promote his purposes. His manifest complications with the straightout Radicals against the more liberal Republicans in Missouri, by removing from office all who affiliate with the more moderate Republicans, shows he does not higgle at the means to be used in carrying his point. His great office has ceased to attract to him the confidence of many of his former supporters. The country in its second sober thought, will allow him to retire at the end of his present term, and he will sink into retirement and soon be among the forgotten. The fame of Lee will grow brighter and brighter with the coming ages, while that of Grant will be obliterated by the footsteps of a few revolving years.

FRANCE AND PRUSSIA.

The surrender of Bazaine at Metz occasions much talk in Europe. The French denounce him as a traitor. It may be so, and the surrender of two Marshals of France, with a French force of 250,000 men in two months looks very much like treachery. Yet these with all the French disasters, places Gen. Von Moltkie, now 70 years of age, in skill and strategy in advance of any thing the French have been able to bring into the field.

We admire the spirit of resistance still exhibited by the French, yet it is palpable they have been aroused too late we fear, to save France from utter defeat. The successes of Prussia and the clamors of the French for a Republic, have had the effect we anticipated, of bringing to the aid of Prussia every crowned head of Europe. This if not made palpable by any overt act of hostility to France, is very prominent in the diplomatic movements of all the other powers of Europe. France will be humiliated and reduced to a second rate power. Providence, who shapes the ends of nations as of individuals, has had a hand in all this, and it is hoped that the French people and all Europe will learn a lesson from it.

LITTLEFIELD TO GOV. HOLDEN.

LIVERPOOL, BOND STREET, No 99,
October, 1, 1870.

My dear Governor: The date of this will tell you where I am. The purpose of this is to prepare your mind for unwelcome truth, which must soon be forced upon you by fate and circumstances which neither you nor I can control. I am pained to see the New York *Tribune*, Wilmington *Post* and other Republican journals which so lately professed loyalty and affection for the person of your Excellency, now disposed to throw difficulties in the way of your prosperous reign.

I learn that Dockery, Pool, Caldwell, Cloingman, Rodman, Reade, Willie D. Jones, Menninger and every prominent Republican save Mr. Phillips and Mr. Badger, the new converts, assail the people's ears with reproaches and complaints against you and your administration. You and I know they complain without a cause. If you had won the victory with Kirk they had never complained, but would have been the first to flatter and to fawn upon you, as the great leader in loyalty. Do justice to yourself; distrust the men who reproach you after defeat; withdraw your confidence from such and your public favors from your relations, and all may yet be well. You must now give way or rely upon Grant and the army to sustain you.

The people have been so plundered and oppressed, that they will no longer be submit-ave to wrong. They will no longer appeal to the great constitution and laws, but following the glorious example of their ancestors, appeal to the living God who gave them rights of humanity, that it were sacrilege to tamely surrender. I cannot conceive that the people of the South will longer submit to be governed as they have been. It is not in the nature of human society that such government as the South has had, can longer be endured. You have made the destruction of one man the sole object of your administration. You have allowed Senators Pool and Abbott to betray you from one false step to another. Personal resentment is unworthy a chief Executive. In calling up the power and force of the government to punish a personal enemy, you have inflicted a deep wound upon the Constitution, and made the rights and interests of one man the rights and interests of the whole people. In fact, you have given importance to the grandest rascal in the State, by wounding through him every man in the State.

And now dear Governor good-bye for the present. I owe you more than any living man. You made me Printer and Binder for the State, President of a grand Railroad by which I handled $7,000,000 of State bonds. These favors shall ever be gratefully remembered by your servant and friend,

MILTON S. LITTLEFIELD.

P. S. Tell Marthis and Ashley, the life of the *Standard* is the life of the party. Make them hold out until I sell my bonds, and I will remit $50,000 to send the paper *gratis* as heretofore.

Yours,
M. S. L.

Peace negotiations between Bismarck and Theirs are said to be proceeding favorably towards a speedy solution of the present difficulties.

MR. DONOHO'S CARD.

In the SENTINEL of a recent date, "published by request," is a "card to the people of Caswell" with correspondence had with Gov. Holden by T. A. Donoho.

All this was originally published in the Hillsboro *Recorder* some weeks ago. I saw Mr. Donoho during our Court week and stated to him, that his charge that his course had been "misrepresented," might reflect upon a committee appointed in Raleigh (during the Holden, Kirk, Pearson, Dick and Settle war) by citizens of Caswell, then in attendance on the Inquisition to confer with Gov. Holden as to affairs in Caswell. He (Mr. Donoho) then stated that he would correct that, and would write to the *Recorder*, disavowing any intention to charge the committee with any "misrepresentations." Wm. B. Bowe, Thos. N. Jordan, H. B. Withers and Geo Williamson composed that committee.

Instead of repairing the wrong against the committee, as I was induced to believe he would, he has enlarged the circulation of——shall I say the slander against the committee and the people of those portions of Caswell so unfortunate as to live remote from and not contiguous to Virginia, where wiser and better counsels prevail, by having his "very long and able letter" (Gov. Holden) published in the SENTINEL. This course on the part of Mr. Donoho savors of political trickery.

Did Mr. Donoho labor for the Conservatives during the last canvass? Was he voted for by the Radicals? and was he elected by them (so called) County Commissioner? Where and when did he ever "urge and advocate a compromise with the Radicals?" Did he ever confer with Dr. Roan and others as requested by Gov. Holden? Did he ever inform the people that he a self appointed and quasi leader had corresponded with the great mogul, W. W. Holden?

Did Mr. Donoho vote for Mr. Phillips?—Did he vote for Scott, the Radical nominee for Congress? If he did do this, was he urged by the same policy which influenced him during the last canvass to stay at home and *with great activity, power and vigor*, "urge and advocate a compromise with the Radicals?"

Did Mr. Donoho receive a Federal appointment, and pending removal of disabilities? Did Squire Sim Harrison "out Heroding Herod, swim in and take the stakes? As the *Standard* says to you, Mr. Editor, "we would like to have a categorical answer," "yes or no."

"Extreme political opinions" for aught I know may "prevail about Yanceyville," but thank God they prevail on a white basis and controled by justice and equity, and I challenge Mr Donoho to show in any particular within his vaunted township in "contiguity to Virginia," has been more quiet than the Yanceyville. Can he give a list of outrages (up to the date of his letter to Gov. Holden) committed in each township? We will abide by that list, and only ask Mr. Donoho not to malign one part of the county to be able by contrast to compliment another, so fortunate as to be in "contiguity to Virginia where wiser and better counsels prevail."

Then, we in Yanceyville township were "struggling in the "imminent and deadly breach;" why did not Mr. Donoho inform us that for the State ticket (vastly more important than the county one), he had "urged and advocated a compromise with the Radicals?" What white men in his township voted for Phillips? and who for Scott? We in Yanceyville township were not informed of any compromise with the Radicals—*otherwise, we might have voted for Phillips and d—d Scott with Mr. Donoho.*

Finally I state this, that up to the time the committee of which I had the honor to be chairman had an interview with Gov. Holden, I had never heard of Mr. Donoho's correspondence. I further state upon my own responsibility, that if the correspondence published by Mr. Donoho was *all that was had*, that Mr. Donoho has been grossly misrepresented, but not by me, or any one of that committee. Will Mr. Donoho be just enough to others and true enough to himself to place the blame and shame of this "misrepresentation" where it properly ought to be placed. I alone am responsible for this communication, but will say, the other members of committee I am sure will endorse what is here written.

GEORGE WILLIAMSON.
Yanceyville, N. C. Oct. 27th, 1870.

Hillsboro *Recorder* will favor by publishing.

CANDIDATES FOR CONGRESS.

MR. EDITOR:—Among the many names of gentlemen mentioned as suitable candidates for Congress, to fill the vacancy produced by the death of Judge Gilliam, I have not seen the name of Hon. *A. H. Arrington*, of Nash, mentioned. I am the more surprised at this, as I understand he is one of the few Conservatives of this District whose disabilities have been removed. If this be true, I think his name will be prominent before the Franklinton Convention, provided he is willing to accept the nomination. While I would readily support any of the gentlemen named for that position if nominated, yet I think it is of the first importance, that a gentleman should be selected in this case, who can certainly take his seat, and the course of Congress indicates that it will not reject one whose disabilities have been removed. If Mr Arrington's disabilities have been removed and he will consent to run, I think there could be no doubt of his election.

DEATHS AND MARRIAGES.

We will insert notices of deaths and marriages, when accompanied by a responsible name, without charge; but for the future we shall charge for all beyond a simple announcement of a death or marriage, our usual advertising rates, namely, one dollar for every ten lines. Eight words is about the average of a printed line, as one by counting the words in the manuscript, can readily come at the necessary amount to be forwarded—one dollar for every eighty words.

THE CIRCUS didn't get things in readiness to open at 2 o'clock yesterday, but had a crowd, last night, all of whom we suppose were satisfied. As we are not writing by the job for tickets, to day, we will not extend this notice further.

FINE FAMILY BIBLES.—R. W. Best, Esq., of this city, is taking subscriptions for finely bound and neatly printed, large polyglot Family Bibles, gotten up in four different styles with prices to correspond. The work contains, in addition to the Scripture text, a capacious index, concordance, family record and other useful information, and the price is much lower than we have ever seen the same styles sold for before. What a beautiful and appropriate present one of these fine copies of the Holy Bible would be for a husband to present to his wife, a father to his son, or a mother to her daughter, on Christmas day.

DELEGATES TO WILMINGTON.—The following gentlemen have been appointed by the Executive Committee of the State Agricultural Society, as delegates to the Fair of the Cape Fear Agricultural Society, which is to be held in Wilmington on the 15th, 16th, 17th and 18th inst.; namely, R. W. Best, Maj. D. S. Hill of Louisburg, and Maj W. A Blount of Beaufort.

The following are the delegates of the State Society to the Weldon Fair next week, beginning on Tuesday: Gen. R. F. Hoke, M. A. Bledsoe, J. H. Moore and J. J. Litchford, Esqrs. There will probably be one or two others.

CURE FOR CHICKEN CHOLERA.—A gentleman residing in the vicinity of Raleigh, who is somewhat a fowl fancier, and raises fine chickens, informs us that he uses spirits of camphor—ten drops three times a day, mixed with bread crumbs,—and that this has proved effectual for the cure of chicken cholera in every instance in which he has tried it. He also promotes the health of his fowls by putting red oak bark in the drinking troughs. He says he lost at least three hundred chickens before he found out the above remedy, but now seldom loses one from disease.

CANED.—Messrs. Kendrick and Gordan of Charlotte have presented Col. Hum. C. Jones, Senator elect from Mecklenburg, with a handsomely mounted cane, as a token of their high consideration. This is becoming quite a common, as it is a very appreciative token. For what symbolizes a firm support, such as a representative should have from his constituency, more fitly, than a *staff to lean upon*. Col. J. is every way worthy of his position and of his constituency.

A CARD.—We ask the attention of our readers to the reply of Col. Williamson of Caswell, to the card of Mr. Donoho we recently published at his request.

Judge Brooks is holding the U. S. Court for Cape Fear District in Wilmington, this week.

Gen. G. W. Custis Lee, second son of the late Gen. R. E. Lee, was unanimously elected on Monday last, by the Trustees of Washington College, President of the College, in the place of his father. The name of the college has been changed to Washington Lee University.

Judge Clarke at Greene Superior Court refused to appoint the present experienced Superior Court Clerk, Mr. D. A. Sugg, but appointed an inexperienced youth, says the Goldsboro' *Messenger*, named John Grimsly, whose father is a Radical. Well it will be our time after awhile!

YEARLY MEETING.—The yearly meeting of the Friends of North Carolina will commence next Sabbath at New Garden in Guilford county. It is usually a great occasion with the Friends. An unusual number of Friends will be in attendance at this meeting from the Northern and Western States and from England.

Accidents will occur even in the best regulated families, and "*Spalding's Glue*," should be kept handy.

NEVERMORE.—Can the coarse, gritty tooth powders and tooth destroying chemical fluids find a place on the toilets of sensible people. The fragrant and preservative *Sozodont* has superceded them all.

WITHOUT SPOT OR SEDIMENT.—PHALON'S VITALIA, OR SALVATION FOR THE HAIR, has no bad smell, and does not stain the skin. It has no ingredient that subsides in the form of filthy sediment. Consequently, it is not shrouded in darkened bottles. The natural color of the hair, however completely it may have faded out, is invariably reproduced by the Vitalia. Sold by all druggists.

Don't hawk, hawk, spit, spit, blow, blow, and disgust everybody with your Catarrh and its offensive odor, when Dr Sage's Catarrh Remedy will speedily destroy all odor and arrest the discharge. BULLY MASS MEETING.—The Rads had a bully mass meeting in the Court House yesterday. The *Standard* advertised it for two or three weeks previous, the bell was rung twice yesterday, and the mass meeting congregated—33 colored and 28 whites all told present, some ten or twelve of the latter being Conservatives, who went to look on.

Dr. Banks, the chronic president of Radical meetings, presided, and Maj. Martin and Joshua P. Andrews were requested, after the declension of several others, to act as scribes.

A Committee was appointed to recommend delegates to the District Convention and the delegates appointed instructed to go for "my son Joe" for Congress.

Joe made a speech and so did Wiley D. Jones. Eli Williams made two or three of them, but he got the cold shoulder—they wouldn't listen to him.

Joe said the Rads could lick the Conservatives in the contest. Wiley, (who fell at Roanoke Island, but got up again) said the Rads could lick the Conservatives in this contest. Ball cheered both declarations by knocking on the back of the bench with his pocket knife. Eli Williams cheered, too. He did it with his knuckles on the railing of the bar. Two others went through the motions with their heels on the floor, but the saw dust was too thick; they could'nt make a noise. After this burst of enthusiasm the meeting subsided. Some of the vast crowd left and so did the others. The mass meeting didn't endorse Mr. Phillips for the Legislature; they forgot him.

GOV. VANCE IN BALTIMORE.—Gov. Vance passed through this city last week on his way to Baltimore on business. While there the Democrats found him out and invited him to the great Democratic Conservative demonstration in that city on Monday night. The crowd was immense, and was addressed by Gov. Bowie of Maryland, Ex Gov. Vance of North Carolina, and Messrs. Whyte, Archer and Swain. Gov. Vance's speech occasioned as usual much applause. It was difficult for him to stop for cries of "Go on, go on!"

The New York *Tribune* does not fancy the action of the authorities at Washington in sending a special officer (Gen. Terry) to take command of the troops, now being concentrated there during the election. The *Tribune* says:

"There is no occasion to send any military commander here for special service during the election, and to do it would be most unwise. Whatever disposition is be made of military force, it should be used quietly, courteously, and by a man in whose honesty and soldierly devotion to duty all persons and parties have confidence. Gen. McDowell is in command of this Department; and no one else could be sent here for this special duty who would be so readily and fully trusted as the regular Department commander."

TOBACCO FACTORY BURNT.—While Mr. Bedford Vaughan, of Orange, was attending Court in Hillsboro' on Monday, his tobacco factory was fired by an incendiary and completely destroyed. The fire occurred on Monday night; it was discovered by Mr. Vaughan's son, who went out for the purpose of saving the factory, there were three caps snapped at him, by the concealed leaguers who had fired the building.

There was no insurance and the loss falls very heavily on Mr. Vaughan, who offers a reward of $50 for the detection of the incendiaries.

A Convention of all the Jewish rabbis of the United States was held last week in New York. They adopted resolutions to strike out of the old Hebrew prayer book every line and word which might imply that the God of Israel is not the God of all men. They sent a memorial to the Governor of Indiana, urging a revision of the divine laws of that State. Well done.

Commissioner Delano, of the Revenue Department, has been appointed Secretary of the Interior and entered upon its duties on yesterday.

Chief Justice Chase and Justice Nelson are both absent from the Supreme Court of the United States, on account of ill health.

Mr. Secretary of the Navy, Robeson, is on a stumping tour. Nortolk will be honored with his delectable presence to-day, and Commissioner Delano will embrace his African friends at Petersburg on Thursday.

The Georgia Agricultural or Cotton States Fair at Augusta, Georgia, last week, was organized, constitution and by-laws adopted and officers elected. Hon. H. V. Johnson was elected President. The object of the Congress is the advancement of agriculture, arts and husbandry.

THE total population of Louisiana is 717,026, an increase since 1860 of over 8,000.

Hon. Wm. S. Todd has been appointed a Judge of the New Hampshire Superior Court.

The yellow fever has almost disappeared from New Orleans.

Tennessee bonds are being counterfeited and extensively circulated in New York.

There are engines in Paris to put out fires, which can also be used to defend breaches or barricades with streams of burning petroleum.

A letter from Delaware, Ohio, to the Cincinnati *Commercial* tells of a double child with two perfectly formed heads, one on either end of the spinal column.

John Bannister, an old colored man who resided in Botetourt county, Va., and was drowned in the late flood, left a large amount of gold secreted somewhere which his relatives are vainly searching after.

Wednesday Evening Dispatches.

NEW YORK.

NEW YORK, Nov. 2.—The Greely branch of the Republican party congressional to make no nominations for city or county officers, but that they will vote for such candidates as are best calculated to secure the State, Congressional and Legislative officers: The registration has closed and shows a loss of 500 compared with last year. Greely accepts the Congressional nomination.

VIRGINIA.

NORFOLK, Nov. 2.—A large crowd of whites and blacks collected before the City Hall, last night, to hear political addresses from Hon. Geo. W. Roberson, Hon. Jas. H. Platt, Ex-Gov. Wells, Prof. Langston, negro, of Howard University, Washington City, and others. Ex-Mayor, De Costy was made Chairman. After Wells and Roberson had addressed the crowd, and while Langston was speaking, the meeting was interrupted by a disturbance in the crowd which soon increased in violence and extent, until fire arms were freely used and several volleys were fired in rapid succession. At the commencement of the fight the crowd broke into wild disorder, scattering in every direction. The police attempted to quiet the disturbance, but owing to their small force were unable to accomplish much. After the dispersion of the crowd it was found that one had been killed, but many whites and blacks were wounded. Among the seriously wounded was Jos. A. Daniel, a well known citizen and Republican, who occupied a position on the speakers' stand. This morning a negro, badly cut, was found lying in an alley near the scene of the row.

It is to be regretted that the correspondent forgot to state anything of what the row was about, and who began it.—Ed.

FOREIGN.

LISBON, Nov. 2.—Two thousand people have petitioned Gambetta to organize the contested forces now operating in the various departments. Gambetta and Freycinet think the salvation of the people was in their own hands; the government could not even supply them with arms.

The authorities at Tours ascribe the loss of Dijon to the incompetency of Garibaldi's Garibaldian officers and their crude organization relieving the regular French force at the moment when the latter is most needed them.

Latest Paris advices represent the ardor of the people as unabated. No doubt is expressed of their ability to hold out for weeks, probably for months. The supply of fresh meats is sufficient to last till the 15th December, and salt provisions to last five weeks longer.

The Prussians have succeeded in placing batteries at Courbevoie, Mendon and Bayneti.

The London Standard authoritatively contradicts the report of a conference of the Legitimists and Orleans Chiefs in Switzerland.

The negotiations for an armistice have probably failed. The movement of England had a damaging effect on negotiation, both parties looking upon her interference with suspicion.

TOURS, Nov 2.—The country in front of the Prussian advance is stripped; the roads are barricaded.

A second dispatch has been received here from Arlan, Belgium, which announces that Metz has not capitulated; that its garrison, forts and towers refused to agree to the capitulation of Bazaine, and that the Prussians have resumed their hostilities about the place.

MADRID Oct. 2.—The bill nominating Aosta was submitted to the Cortes yesterday, and will be argued next week.

MARKETS.

NEW YORK, Nov. 2.—Flour dull and declining; wheat quiet and declining, other unchanged; cotton steady and in fair demand, uplands 16; orleans 17; sales 2,000 bales.

Gold 11; stocks steady; money 4 to 5; Gs, 9.

Wednesday Night Dispatches.

WASHINGTON.

WASHINGTON, Nov. 2.—There are partial census returns from Southern States indicating an increase in some and a decrease in others; of the negro population.

In the aggregate there will be an increase of the colored vote of 1870, but not nearly as large in proportion as shown by previous enumerations.

MARYLAND.

BALTIMORE, Nov. 2.—The Maryland delegation to the Lee Monument Memorial Convention to be held in Richmond, on the 4 P. M. boat this evening, accompanied by a number of ladies.

MISSISSIPPI.

JACKSON, Nov. 2.—Gen. W. F. Brantley, a prominent Confederate officer, was brutally assassinated this morning near Winona. No clue to the perpetrators.

FOREIGN.

THIERS, Nov. 2.—Advices from Paris to the 29th say the people are stronger than ever in their determination to defend the city to the last. New enrolments are to be made in the National Guard to strengthen the fortifications.

Private subscriptions to make more cannon, reach a sum sufficient to buy 1,000, which are being rapidly made at the different works. It is estimated they have fresh and salt meat enough to last to the end of January. Extensive preparations are being made to resist the assaults upon the city.

LONDON Nov. 2.—A female has been washed ashore in the North of Ireland supposed to be one of the passengers of the Cambria.

There is a dispatch to the effect that negotiations for German re-unity are progressing favorably. It has been decided that King William shall assume the title of Emperor of Germany. Gambetta's circulars and proclamation are bitterly denounced in France.

Eighty American families have left Paris under the protection of the Portuguese.

All foreigners in Paris are offered passes to leave the city.

The Landwehr on duty at Metz have been discharged.

The following is from Paris, 28th, Oct. All English and Americans were to leave Paris on the 28th; orders have been given at the English embassy to place all documents and valuables in cellars.

Captured Prussians have been found to have explosive bullets in their possession. The fact was duly witnessed for the purpose of calling it to the attention of the civilized world.

THE PAIN KILLER.

This celebrated medicine has won a deservedly high reputation as an alleviator of pain and a preserver of health. It has become a household remedy, from the fact that it gives immediate and permanent relief. It is a purely vegetable preparation, made from the best and purest materials, safe to keep and to use in every family. It is recommended by physicians and persons of all classes, and to-day, after a public trial of thirty years—the average life of man—it stands unrivalled and unexcelled, spreading its usefulness over the wide world. Its large and increasing sale affords positive evidence of its enduring fame. We do not deem it necessary to say much in its favor as one small bottle will do more to convince you of its efficacy than all the advertisements in the world. Give it one fair trial and you would not be without it for ten times its cost.

Directions accompany each bottle.
Sold by all Druggists.

The Equitable

LIFE ASSURANCE SOCIETY
OF THE
UNITED STATES

120 BROADWAY, NEW YORK.

BURROUGHS & SPRINGS,
GENERAL AGENTS,
CHARLOTTE, N. C.

TWENTY-ONE REASONS FOR PREFERRING THIS COMPANY TO ALL OTHERS.

1. Its cash assets are upwards of $13,000,000,00 and constantly increasing.
2. None of this is made up of promissory notes as in many Companies.
3. Its cash income per annum is over $7,500,000.00 and steadily growing largest.
4. None of this is composed of the notes-of-hand of policy-holders, as the case in many companies.
5. It has paid to widows and orphans, and other claimants under policies on deceased members, about $4,000,000.
6. Such payments are made in cash, and not partly in cancelled notes, as is the case in many companies.
7. No deductions are made from the face of a policy for premium notes when it becomes a claim, as in the case in all Note Companies.
8. The sum of $5,500,000, and upwards, in cash divided among policy-holders, (this included the dividend for the present year), as profits of the business.
9. All the profits of the business are annually divided among the assured Equitably, instead of being wholly or partially distributed among the stockholders, as in the case in all "Mixed" and "Proprietary" Companies.
10. Dividends are invariably available as cash in payment of premiums.
11. The dividends are made from the start, and not postponed until after the lapse of several years, as in many Companies.
12. The Society deals Equitably with its policy-holders.
13. The Equitable has made more progress since its organization than any other Life Company in the world.
14. Its risks have been so carefully selected and its dealing so equitable, that it has never been obliged to contest the payment of a claim at law.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other company in the world.
16. It issues all the popular styles of policy, including "Ten Year Non-Forfeiting" and "Endowment policies."
17. The amount of new business during the year ending "December, 1, 1869, was $51,021,341.00.
18. Its policies average larger in amount than those of any other company, showing that capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to the assured on the "Contribution Plan," which is conceded to be the only equitable mode of division, and not by the mode adopted by many companies, which is grossly unjust to a large proportion of the policy-holders.
20. It is as liberal in the conduct of its business as is consistent with safety to the assured, and does not sacrifice proper caution to an ambition to increase the nominal amount of its business as in the case with many new companies.
21. It is the favorite company in the United States, as is shown by its new business for last year, being nearly $13,000 000 greater than any other company.

NOTICE TO CAPITALISTS.

I SHALL Proceed to sell to the highest bidder for cash, at the Court House door in the Town of Louisburg, on the 1st Monday in November next, it being the 7th day of the month, some Twenty or Twenty-five Thousand Acres of valuable Land, among which is the well-known Portis Gold Mine, lying in Franklin county on the waters of Fishing and Shocco Creeks, containing nine hundred thirty-three and one-third (933⅓) acres; together with all the Machinery and appurtenances.

Also all the chattle property. This property is so well known that any particular description is deemed unnecessary. When this is done and it will be accomplished in a few weeks, this property will be immensely valuable. The property will be sold for cash and unless parties from a distance come in competition, it must be greatly sacrificed.

The NATIONAL, under the management of his father, P. F. Pescud, Sr., secured very many warm friends who obtained policies for large amounts, and the fact that it has issued upwards of

10,000 POLICIES,

and nearly doubled its immense Capital of $1,000,000

in about two years, speaks more for its wonderful popularity than any language at my command. The rates being based on the Stock Plan, and when contrasted with Mutual Cash rates, are so much lower, that a certain and handsome dividend is secured from the date of the Policy.

I will be gratified to take Applications from my friends and all wanting Policies, and shall want many active and reliable Agents, in the fields assigned me.

FOR THE IMPROVED

"UTLEY COTTON PRESS."

THE "UTLEY PRESS" So well known, and which gave entire satisfaction last season, can be obtained of me at Raleigh, or my Agents, Messrs. Mitchell, Allen & Co., Newbern, with its improvements.

Price $175.00.

This invention of power, whereby all friction is overcome, its simplicity economy and durability, astonishes all who see it; and the more so that a power so simple should have remained so long unappropriated. The strain is wholly borne by the Bed Plate, Follower Block, and two 1¼ inch square iron bars, which is capable of sustaining a strain of 150,000 lbs. Thus giving much more strength than is required. WITH THIS PRESS TWO MEN CAN PACK A BALE OF COTTON WITH EASE IN EIGHT MINUTES WEIGHING FROM 400 to 500 lbs.

One man can do the work, only requiring longer time.

It occupies a very small space, and can be so placed as to receive the lint direct from the Gin or Lint Room, as may be desired. Thus doing away with baskets, and frequent handling of the lint. It is light in weight, can be taken down or put up in 30 minutes and transported on a two Horse Wagon.

I believe it unequalled by any Press for power, convenience and durability.

Press complete—Depth Cotton Box 8 feet · Size Bale 4½ feet x20x32½in. · Wt. Bale 400 to 550 lbs.

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it

Protected by Copy right for 25 years from May 8th 1869.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and unlajurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

BENEFIT LIFE INSURANCE COMPANY

Cash Assets over $1,500,000,

ISSUES ALL FORMS OF NON FORFEITABLE WHOLE LIFE AND ENDOWMENT POLICIES on the Mutual Cash Plan, declaring Dividends annually after the first annual premium is paid. Assets exclusively Cash with no portion of its reserve fund in premium notes, consequently its "reserve" is stronger than that of any Company doing business in this State. No "*Definite surrender values guaranteed*" as an inducement to new business, but reference is made to the large amount paid on each surrendered policy as shown by New York Insurance Reports, thus giving evidence of having paid larger surrender values, than has been given under a minimum "Schedule Cash Surrender Value." *Death losses* have not occurred, out of several hundred policies in force in this State, which fact must establish the better ability of the Company, to pay larger dividends than Companies having an excessive mortality, the result of a selection of bad risks. *Dividends* are not declared, but Dividends are given from the actual surplus in accordance with the Company's Charter. The attension of the public is invited to the following comparison of cost, demonstrating the advantages over ordinary insurances, of the

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks*,—upon which elements of administration the interests of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the cash value of their Policies, each and every year, and to establish *legal standard of reserve and accumulation* which is held by the Companies to meet all their liabilities.

Insurers in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.
